RURAL NONPROFITS MUST OVERCOME SIGNIFICANT HURDLES TO ATTRACT FUNDING

Disparity in giving between urban and rural nonprofits, suggests ways to bridge gap

Washington, D.C. - Grantmakers' perceptions of rural nonprofits' isolation and capacity-building needs

Other obstacles highlighted are the desire of foundations to target densely populated areas, as well as

"Compared to their urban counterparts, rural nonprofits are significantly disadvantaged," said Rachael S

Rural Philanthropy expands on a 2004 NCRP report, *Beyond City Limits: the Philanthropic Needs of Rural America*

The report defines areas as "rural" if they had population densities of less than 500 people per square m

NCRP conducted focus groups with nonprofit leaders serving rural parts of California, Florida, Kentucky

"Many perceive rural America as a place where tight-knit communities work together to overcome adver

Nonprofits typically strive to develop meaningful relationships with potential funders. But

Rural Philanthropy offers substantive recommendations on ways to make philanthropy more respo
