Issues Remarks on Independent Sector's Final Report

regulation, reworded, won't lead to stronger nonprofit sector

Notwithstanding the unduly positive report that was put forth by the Independent Sector, the process of the IS has not been

In the spring of 2004, NCRP issued a report titled "Standards for Legislation and Corporate Grantmaking" (link to report) and

Slowly, very slowly, the IS process is micro-inching closer to the recommendations for action that NCRP

Despite their protestations of how fast the process is, it seems that IS has taken some pretty clear issue

In sports terms, referees would have handed Independent Sector a "delay of game" penalty. IS spokesp
