

The following grantmakers have submitted their statements indicating their intent to use the following two high impact strategies in their philanthropy for the next three years: dedicate at least 50 percent of their giving for the benefit of at least one underserved community, and 25 percent toward supporting policy and civic engagement.

See [video testimonials](#) from leaders of grantmaking i

Unless otherwise indicated with an asterisk (*), total annual giving reflects the latest available data from the Foundation Center.

Legend:

Independent and Family Foundation - I/F

Community Foundations and other Grantmaking Public Charities - C/PC

Corporate Foundation - C

Asterisk (*) - annual giving numbers based on information provided by grantmaker
